What is your overall feeling about Freek's Garage?

I know I can count on Freeks
to keep my car in good shape.

As a woman, name one or two benefits that you have gotten from us that you value the most.

Freaks does not assume a woman knows
nothing about cars and repairs.
Freaks treats everyone ^{in a} respectful
and friendly ~~way~~ manners

Describe in detail a specific experience with us that you are happy with.

When my previous car needed
repair, Dan asked how long I
would keep the car. If I were going
to keep it 5+ years, the repair should
be done. If I didn't keep the car
that long, I didn't need to have the repair

Thank you very much. We really appreciate your honest answers.

CV (initial) I do NOT mind if you use my name in any or all of your promotional material(s).
