Occupation: Property Management

What is your overall feeling about Freek's Garage?

You are outstanding! Totally!

As a woman, name one or two benefits that you have gotten from us that you value the most.

Peace of mind.  
My life is easier because of you.

Describe in detail a specific experience with us that you are happy with.

There is not a single experience that stands out - well maybe one: when I had my disabled car <sup>taken</sup> from work, I was able to stay on the job. You took care of everything, and I picked it up at the end of the day - good as new.

Thank you very much. We really appreciate your honest answers.

JG (initial) I do NOT mind if you use my name in any or all of your promotional material(s).
