How many times have you used us to repair your vehicles? Four times per year for the past seven years

What is your overall feeling about our company?

Honest, Fair, Truthful - I know that sounds like the Boy Scout Oath or the Rotary Four Way Test but it's true - it's like the old "All State" Ads - You're in good hands

Describe in detail a specific experience with us that you are happy with.

When I have had an unexplained problem I had my car towed to your garage - An estimate of the situation was done quickly and the repair completed promptly

Describe the one or two benefits that you have gotten from us that you value the most. Explain specifically what you've gotten out of them.

The knowledge that I am being handled both professionally and honestly - I feel that the work that is done is needed and the charges are very fair

Thank you very much. We really appreciate your honest answers.

EM (initial) I do NOT mind if you use my name in any or all of your promotional material(s).
